

IMPORTANT CHANGES TO HOW WE HANDLE YOUR PERSONAL DATA

We will soon be required to supply your **personal** and **confidential** medical Information to the Health and Social Care Information Centre (HSCIC). This information will be taken from the practice in a form that can identify you. The Practice has **NO** choice but to allow the HSCIC to extract this information. However, individual patients can instruct their Practice to stop the transfer of their data. For more information on the reasons for this data extract and how to opt out of sending your confidential information ask the receptionist for a leaflet.
